

Internship Opportunity Creative Economy Research

Every role at GANGGANG builds more culture, equity and beauty in cities through the creative economy, and internships are no different. In your business area, you'll help us build a great organization, challenge mindsets through art and design, and practice equity-in-action.

Apply if you are ready to move at the speed of culture.
You can be yourself here!

Position

- Reports to: VP of Operations
- Compensation: \$17/hr
- Participates in team meetings, trainings, and general organizational culture
